

Change Control Announcement # 015

June 2, 2015

Dear Customer,

We are pleased to announce the launch of our new polymer product line for EPDM Black gloves. The manufacturing of this product line will solely be at our French manufacturing plant. These goods will be sold to all markets, and may be purchased directly through Piercan USA.

Our EPDM Black gloves will be sold in 15 mil and 24 mil thicknesses and port sizes 6, 7, 8, 10, and 13 inch. These gloves will provide excellent chemical resistance as well as approval by the FDA. Attached you will find our Technical Specification sheet and your pricing sheet including this polymer.

Thank you

Taylor Farias
