How to Order Port Covers

Required Information:

Step 1	Step 2	Step 3	Step 4
Choose Port Size	Choose Material	Choose Thickness	Choose Length
6 or 8	Y	15, 24 MIL	04-10"
6 or 8	B	15, 24 MIL	06-16"
6, 8, 10	N	24 MIL	08"

1. Choose Port Size: Choose from a 6, 8, or 10" port size. **Not all port sizes are available for all materials.**

2. Choose Port Cover Material:

Y = CSM (Chlorosulfonated Polyethylene)
B = Butyl
N = Neoprene

3. Choose Port Cover Thickness in Millimeters: Standard Thicknesses: 15 mm. Choose from 15 mm and 24 mm varying by material.

4. Choose Port Cover Length: (Measurement from the tip of the cover to the outer edge of the beading.) Choose from 04 to 16" varying by material.

Example: 8B15-10 (8" port size, Butyl, 15 mm thickness, 10" length)
