We confirm that our PUR CSM are made from materials that are non-animal origin. In addition, no materials derived from TSE (Transmissible Spongiform Encephalopathy) relevant animal species come into contact with the product or the equipment used in its manufacture.

Thus the European Agency's guidance on the risk of transmitting animal spongiform encephalopathy agents via human and veterinary medicinal products (EMEA/410/01) is not applicable.

Patricia PIQUET
Quality Manager

A blue ink signature of Patricia PIQUET, consisting of a long horizontal stroke and a vertical stroke that curves upwards and to the right.

27/09/2012.

Emmanuel TELLIER
Laboratory Manager

A blue ink signature of Emmanuel TELLIER, featuring a stylized, cursive script.
